

Student Resources at Kennesaw State University

Health and Wellness/ Student Success Services:

Counseling and Psychological Services

“Counseling and Psychological Services supports the academic mission of Kennesaw State University by enhancing students’ educational, career, and social development. We work in conjunction with other faculty, administrators, and student affairs professionals to develop the whole person—intellectually, personally, socially, and spiritually. Our philosophy is to value the self-worth of each individual, respect and embrace human diversity, and provide services that aid the development of healthy behaviors necessary for success. The staff strives to provide a safe, supportive environment for those who seek counseling. Each individual is considered to have an inherent capacity for healthy productive functioning as a human being.”
