

## PhD in International Conflict Management

College of Humanities and Social Sciences

# Foreign Country Research Questionnaire

---

Name of Student:

KSU ID #:

Name of country/countries in which research will be conducted:

Research trip dates:

Locations to be visited within the country/countries and expected dates of visits:

Student contact information at field site(s) (telephone & email). If you plan to obtain a local telephone or SIM card after arrival, please note the date by which you will communicate this number:

Emergency contact information – i.e. someone we should contact on your behalf in case of an emergency (name, address, email, and telephone):

Travel arrangements for travel to field site and return from field site. Please note airline and flight number:

If you are planning to travel to a second foreign country after arriving in your first research site, have you obtained any visas necessary for this travel? If not, how do you plan to obtain them?

Description of housing accommodations. Please provide address of planned accommodation and describe type (e.g. rented apartment, family member's home, hostel or hotel):

Have these accommodations already been booked? (Yes/No)

Describe the safety measures that are in place where you are staying and at your research site(s).

If you must evacuate from the field due to a medical or other emergency (e.g., political unrest), do you have a flexible plane ticket or sufficient funds to buy transport to a safe location? If this concern is not relevant for your field site, please explain

Please add any other information pertinent to your research trip and safety posture (language skills, prior travel experience, etc.):

Copy of Passport, Visa and airline itinerary attached?

Copy of signed waiver of liability form attached?

Please submit this form and all required documents to INCM Administrative offices at least **two weeks** prior to departure.

*Note: This information is for informational purposes only. It does not constitute a formal risk assessment on the part of the INCM program or Kennesaw State University. As per the attached waiver, the student is wholly responsible for risk assessment and management in their field work.*
