If you have found yourself considering some of these questions, join our Parenting Strategies Program for parents of 5-12 year-olds with ADHD and/or behavior problems offered by the Children and Family Programs at The Center for Conflict Management.

Parenting Strategies is an interactive workshop for parents of children with behavior problems between the ages of 5 and 12. Children participate in social skills groups while parents work together to learn behavior management techniques and solve problems. Our goal is to help parents promote positive changes in their children's home and school behavior.

When: Parenting strategies will be held weekly beginning in February of 2017.
Location: Center for Conflict Management at Kennesaw State University
Cost: $600 for the entire group workshop including social skills for target child (6 sessions)
Individual behavioral sessions are available at $200 each.
Additional services are available upon request
To learn the dates of the upcoming program and to initiate the enrollment process, please call (470) 578-2233.
Enrollment is limited, and parents are encouraged to apply as early as possible!
