The 28 hour General Mediation Training focuses on an understanding of the mediation process, communication skills, problem-solving skills, agreement writing, and mediation ethics. Mediation skills are taught in a highly interactive format through short lecture, group discussion, focused exercises, and coached role-play. The workshop is designed to prepare the participant for mediation in civil cases. In addition, this intense 3.5 day experience is designed to hone life skills that can enhance the participant's ability to interact effectively with others. The workshop meets general mediation requirements for registration with the Georgia Office of Dispute Resolution (GODR). In addition, the workshop is approved for Continuing Legal Education (CLE) hours (28 regular, 3 ethics, 1 professionalism). The 12 hour practicum substitutes for the requirement of 5 real-case observations needed to be registered with the Office of Dispute Resolution.

GODR Required for all Trainings: The fact that a training program has been approved by the Georgia Office of Dispute Resolution does not imply that any particular court-annexed or court referred program must or will accept as neutrals those who have completed the program. Trainees have 18 months from the last date of training to apply for registration with the Georgia Office of Dispute Resolution or the training expires. Please visit www.godr.com to read these rules thoroughly.
