General Mediation Training
the training will be held at Kennesaw State University, Kennesaw, (Atlanta suburb) Georgia, USA
November 4-November 11, 2017

This 40-hour General Mediation training will provide Bowen University Law, Political Science, and International Relations students with an understanding of the mediation process, communication skills, problem-solving skills, agreement writing, and mediation ethics. It will also promote the development of a strong disposition toward nonadversarial conflict resolution. Participants will leave ready to become professional mediators and serve as advocates for the use and institutionalization of mediation in Nigeria. Participants will visit the Georgia State Supreme Court and private Mediation Centers.
